

# ARGENTINE TANGO - WORKSHOP

## WITH: BROOKE BURDETT

At Mavis Cultural Center  
121 S. East Street – Indianapolis, IN 46202

Brooke is unique in the tango world, in that she brings a blend of North American sensibilities to a deep personal understanding of tango as it is danced and expressed in Buenos Aires.

Originally from the US, Brooke moved to Buenos Aires over 7 years ago on what she call a "Tango-calling" -a drive to immerse herself completely in the dance and culture. Studying with many of the older generation's tango masters and the younger generation's most innovative leaders. Brooke teaches and performs tango in Buenos Aires, the US and Canada and has made instructional videos with Daniel Trenner and Mariano Frumboli (better known as "Chicho")

*Beginners and persons who wish only to watch are welcome. It is not necessary to come with a dance partner---we learn best by working with different partners and the workshop is designed to provide this opportunity. You are welcome to participate in the workshop whether or not you come with a partner.*

*TangoIndy is a new organization committed to learning and sharing the art of Argentine Tango. We are encouraging and promoting the growth of Social Argentine Tango dancing in the greater Indianapolis area.*
