

A Special Invitation To:

ARGENTINE TANGO Six-Week Beginners Course And Advanced Course

With

Robert Hauk

Starts on Tuesday, May 22, 2007

Artist of Residence for Argentine Tango

Robert Hauk from Portland, Oregon is a well known and popular instructor of the “milonguero” (close embrace) style dancers/teachers in the United States, in high demand for tango festivals and weekends. Robert is well known for his precise analysis of tango technique, improvisation, and musicality. Tangueros who study regularly with Robert are often among the best dancers on the floor at milongas.

The “milonguero embrace” facilitates a close connection between partners and is the framework for a dance of great subtlety and beauty. To dance this style well requires precision and balance. The steps can be simple or complex, but the focus is on the music and the connection.
